If this be acted upon, few agreeable job before him." people who transgress the law by accident, with Chinese ideas, but the adoption of the but as to gamblers who cheat the foolish suggestion would mean the reversal of the to confound gambling with cheating, as is own crimes. To compel every man to set the balance of her cargo, the principal lines in the balance of her cargo, the principal lines in the balance of her cargo, the principal lines in the balance of the Compete tree was intericated when he came but he under these circumstances the plaintiff is enthe punishment to be meted out for gam- district where the extreme prevalence of bling pure and simple opinious differ. Even crime readers an extra supply of constables the elementary question whether gambling | necessary is an intelligible and justifiable is to be regarded as a crime or not still re- system, but this is very different from makmains to be settled. Some sivilized govern-ling individuals personally responsible for ments draw a revenue from state lotteries, crimes in which they cannot be proved to and although we have in this colony stringent | have taken any active part. laws against public gambling Manila lottery tickets are allowed to be hawked about the street without let or hindrance. 'Although a Chinaman may not keep a fan-tan house or tere for agency, however honestly conducted, for this port yesterday at 3 p.m. the race lotteries which are got up every year, the promoters taking a percentage of the Pouschin, arrived at Shanghai from Chemulpo, taken from that vessel. The prisoners and the winnings, are uninterfered with. Nor do we advocate that they should be interfered with. Our purpose in mentioning the facts recently took place at Huang Long Miso village, is merely to show the injustice of the pre- glers, the result being that no less than seven- had careened their vessels on the coast of the sent gambling laws, by which purely arbitrary distinctions are drawn founded on no bling of other descriptions is prosecuted. But miral Sir W. M. Dowell on the 6th proxime. the prosecution is necessarily abortive so far as the suppression of the offence is concerned, because the penalties, although severe, are pressure cylinder on her way up from Hongkong. junks, and a very considerable amount of pronot really deterrent, so strong is the inherent love of the Chinaman for gambling and so large are the profits derived from the keeping of gaming houses. The only result of the prosecution therefore is on the one hand the augmentation of the revenue by the fines collected, and on the other hand the E.S.E. from Taku. Corruption of the police force by bribery, the filling of the gaol with men who cannot casional sacrifice of a life during the process system of fines, the Lat Pau makes the very | gentlemen amateurs. sensible remark that "if it is believed that view, therefore advocates the extreme measures set out in the extract given above, holding fines to be useless. The adoption of such measures is, however, impossible, for the reason to the public sense of justice would be outraged by the disproportion of the offence to the punishment. Gambling per se is not legally recognised as a crime, and though as a matter of policy legislative interference with certain forms of it may be considered justifiable, to send a man to gaol for a long term of rigorous imprisonment for doing that which, possibly the magistrate previous evening in another form, would be so great as to justify the infliction of ruinous

race lotterios are essentially public gambling, and yet they are not interfered with. moral sense of the community, would therefore rebel at any proposition to impose severe penalties of the description recommend. ed by the Lat Pau for offences committed by Chinese against the gambling laws. It being admitted, however, that public gambling is an evil, might not the present abortive ata varied assortment from the tempt at suppression be advantageously replaced by one of control? As the Lat Pau this Settlement, and we doubt not the venture says, if the means of suppression be confined to the imposition of fines, it would be better to establish a gambling farm at once. This would simply be equivalent to the collection of the fines before the gambling instead of ney. October 2, says:-The steamer Victoria, will 1 after. But the object of a system of control should not be the collection of a revenue the German annexation of the Carolina Islands. to remain in Hongkong, and they will be exbut the minimising of those evils which The Spanish man-of-war San Quintin, 2,000 tons; usually attend gambling; we refer more especially to the obtaining of money under riade, which soon transhipped the Spanish troops false pretences and cheating in all its various intended to annex Yap and the Caroline Islands. forms. The present system, on the contrary. intensifies those evils. The opponents of anchored there three days afterwards, and findcontrol-or as they would say, of toleration

-point to the supposed unsatisfactory working of the system in the short trial German flag. The Spaniards on August 6th it had during the administration of Sir RICHARD MACDONNELL. Crime was undoubtedly very rife at that period of the colong's history, but the relation of cause and effect has never been satisfactorily establishbling and the dishonesty and lawlessness be made as soon as practicable after Colonel Denwhich then prevailed. The system has had by has established himself at Peking. IN SUMMARY JURISDICTION. BEFORE MR. JUSTICE ACKROYD.

J. LEBURY V. J. W. KENNEDY, \$1,000 ... the defendant.

case having excited a good deal of interest. Government Civil Hespital, but his case is now went seroes the road to get into the have particularly attracted Dr. Hartigan's Taylor 3 F. & F. 731; Stiles v. Cardiff Steam discharged, said that on one occasion at sea he looked upon as a hopeful one, despite the number Parade Ground; he did not succeed, as attention, but if the defendant's account Nav. Co., 10 L. T. (N.S.) 844. I have carefully had seen the captain kick the boy for not doing of his wounds. The Chinese fireman, who was when he was about three feet from the of the socident be accepted it cannot be explain- looked over all these and also Blackman v. Sim- something to his satisfaction.

the side of the road but not in the gutter. Wit- seems to me there was no occasion for him to this is a case in which the plaintiff should not The following paragraph appears in the ness went down the road to plaintiff. He was have done so. He would not have spoken of the condemned in costs. Penang Gazette :- According to a recent tele- not insonsible nor did he appear in the least un- bull, or of what he had done to it if it had not

some means, he skilfully succeeded in getting spot at the time and he alone came to plaintiff's Again, if he had fallen as David Kennedy says verbatim. So important was this information imagined. The place of the accident, the con- not only have helped him up, but have taken or deemed by the Home Government, that the mes- duct of the plaintiff, the cause of the accident, led him to the Horse Repository, or that when he been no mistake made, and it was not until the struck and tossed by the bull, as well as other ble to have him examined by Dr. Young? It embassy had left Bombay, and was very near its details, are all distinctly and unhesitatingly con- may be he was on the ground when so struck, destination, that the secret was allowed to leak tradicted. On one side we have only the evidence and the account given by D. Kennedy and the out. It is not surprising, therefore, to find the of the plaintiff, and on the other the defendant's Chinese cowboy may be reconciled with that French new denying all knowledge of the treaty. brother and his Chinese cow-boy are the only wit- given by the plaintiff by their not having actunesses. This is much to be regretted and has in- ally seen, although they think they did, what creased the difficulty which I have had in arriving took place when the bull got close to the plainat a decision on the point. There would be nothing | tiff. If we turn to Mr. D. Kennedy's evidence astonishing or improbable in the fact of a bull we find that there were a certain number of turning round and charging the plaintiff, whilst cows between him and the plaintiff, and that beit appears to me very improbable and extraor ing so the latter may have stumbled and then dinary that the plaintiff should have acted in the been struck by the bull and Mr. D. Kennedy manner in which Mr. D. Kennedy states he did, not able to see the blow, for the bull was befor he is represented as having crossed over to tween the plaintiff and him. The same remark the bull which was in the middle of the cows (20), would apply to the evidence of the Chinese cowpoked it, continued poking it and followed it up boy; there were other cows between plaintiff though the animal increased his pace. The de- and him, and these may have prevented him

fendant's answer to that is that the plaintiff that seeing the bull actually striking with his head morning was intoxicated or had been drinking the plaintiff on the ground. Against this neto an extent that rendered such conduct or ac. gative evidence we have the positive testimony tion comprehensible. I will therefore briefly re- of the plaintiff, who was in a better position view the evidence as to the plaintiff's sobriety know what actually took place. Plaintiff denies on the day in question. Plaintiff states that he saw Dr. Young at the Repository that On Monday evening there was but a thin at. Mr. Kennedy himself mixed and gave him. Young by sight, and as far as he knew he had tendance at the City Hell Theatre to witness Mr. Woolley, the shipping clerk in the office never seen him. According to Mrs. Kennedy, of the P. and O., states that he saw Mr. Lebury | the plaintiff was washing his face when she men-Treaty Powers has been gained? Why should Giroffa." Possibly the fact that Monday was perfectly sober. Mrs. Kennedy says, that when it is very possible that the plaintiff did not hear public with a communique, resolving these lish mail had something to do with the small- coited, he was not sober. She is sare of that be- of the witnesses say he was it may be that he did doubts? As we said before, there is every reamons of the attendance, which was the worst the course she knows him so well. She saw he was not remember Dr. Young examining him, especialness of the attendance, which was the worst the son to believe that the other Treaty Powers will Company have had this visit. Previous to the drunk because he did not walk steadily, he had ly as the examination was, as Dr. Young himself country; but it will be very much opposed by to have to amounce that in consequence of a he was not then quite soler. That she had often to deny that Dr. Young was there, and, although the ten thousand likin collectors all over the sudden attack of sickness Mr. Tyrrell would be seen him intoxicated at her place when he came I am sure that Dr. Young was there, I can easily themselves; and it is quite possible that the had been allotted to him. This was the more tiff after the accident, says he was very excited, have therefore arrived at the conclusion after a Yamen is proposing to itself to wait until unfortunate as their other Don Bolero. Mr. spoke incoherently, used very strong language, very careful examination of the evidence that part, and he trusted the audience would excuse along was that plaintiff was under the influence without difficulty or without some doubts that I

THE CONTEST FOR SUPREMACY IN KOREA.

The Courier says:—The present is an import-

ceived further confirmatory news of the dismissal of Mr. von Möllendorff, as Inspector-General of Customs, and on the 14th October Messrs. Merrill and Hunt, of the Imperial Chinese Customs service, had arrived at Secul, but advices we have received are to the effect that their appointments in connection with the Kerean Customs service had not been confirmed by the On Paris. King. Whether Russis and Japan will stand quietly by and allow China to do as sh kes with Korea remains to be seen, but an impression prevails that China has come to terms with Japan in reference to the Hermit Kingdom, and that the two nations will work ON BOMBAY.together to thwart the designs of Russia. If China and Japan have come to an arrangement such as we intimate, it seems difficult to conceive On CALCUTTAhow Korea can retain her independence, and in case she forfeits this the question arises as to whether the treaties she has made with Great Britain, Germany, and the United States, etc., will not be null and void. The Russian Treaty was to be ratified on the 14th Oct., and the King of Kores had consented to grant an audience to Mr. Wacher, the Russian representative. The foreign employés were on tenterhooks, the result of the interview between the King and Mr. Washer being considered the decisive point as to | Uhion Insurance Society of Canton, Limitedwhether Kores should hand herself over to China

kept the stage, and two being literally bissed

down. The comedy "Les Ressources de

agement of the Odeon, was a long imbroglio which is that among the moles the females

Quinola," offered by the author, to the man-

in five acts, four of which having been

read to: the actors , by | Balzac himself! he

announced, to their stupefaction, Abate the

fifth was not yet written, but that he would

give them a verbal description of what it was intended to be. In this attempt, as might

be expected, he failed signally, confounding

one personage, with another, and so utterly

confusing his, hearers that Madame Dorval.

who had been attracted to the theatre more

by curiosity that by the bope of finding a

part suited to ber, pettishly exclaimed that

no ode but'a madman would renture on so

impossible a task as to "relate" a fifth act.

After some discussion, the distribution of

the characters was settled, with one im-

portant exception that of the heroine, who.

contented himself with the ordinary scale of

prices, he might have secured a full house

before the week was out. This, however,

was not the case; on the contrary, whoever

did not come up to his preconceived standard

of eligibility was pitilessly dismissed empty-

handed, and the few favoured individuals.

who by dint of solicitation succeeded in

obtaining a stray stall or a box on the second

or third tier, paid dearly for the privilege

accorded to them. The eventful pight arrived

And when the gust of Autumn crowds,

BALZAC AT THE ODEON.

And breaks the busy moonlight clouds,

ager, " ils vous l'ont bien rendu ! " Where was Balzac all this time? Fast asleep in a box, utterly unconscious of what was going Thou hest the thought caust raise, the heart attune, on around him, and probably dreaming of Light as the busy clouds, calm as the gliding moon. some new project germing in his rever fertile brain. When he was at length with difficulty aroused from his slumber by the joint efforts Of all the eminent men of letters, of the of Gozlan and Theophile Gautier, and asked present century, few, if any, have been so how he could possibly close his eyes to the variously and at the same time so imperfectly midst of such an uproar, he stared at them judged as the author of the "Comedia with undisguised astonishment. "Are you humaine." It is indeed difficult to imagine not aware, messenfants," he said that eleep, a greater contrast than that existing between | under certain circumstances, is an finfallible the marvellously gifted creator of innumer- resource? and in the present case," be added able types, each stamped with its own par with a smile, "as things have turned out, "ticular and distinctive individuality, and the far more effectual than those of our friend

unpractical visionary always in search of Quinela!"-GHARLES HERVEY in Longman's some chimerical El Dorado, and abandoning Magazine. one scheme for another equally problematical, without even entertaining for an instant the WAKS OF THE MOLE IN possibility of failure. During the entire For the good of man, there were sent into course of his literary career, Honore de cornfields and hop-gardens things caffed Balzac was an enthusiast in everything creatures laid eggs which turned into wirebe undertook; but, like most mon of an ultrasanguine temperament, wasted the best part worms and grubs, and they fell tooth, and of his life in forming projects never destined to be realised, and, to use a common extension, was too apt to count his chickens. To stop this havon appeared, among other before they were batched. Notwithstanding agencies, the mole, blessed with an appetite BURGUNDY. The vast amount of work he got through, and which in all the range of breated beings is BRANDY. the very considerable empluments derived probably without an equal, an industry from it, he was perpetually in straits for which is amazing, and above all, a special money; his earnings were constantly anticipated and frittered away in disastrous grubs. The mole is a specially shrewd speculations, and it is doubtful if at any person. There are few animals so difficult period of his existence be could conscient to catch. His shode is a masterpiece of tiously congratulate himself on being free defensive engineering his entrantes and daits BEER from debt. For many years be was so most cunningly devised. First of all; having SCALES... harassed by his creditors that he had recourse chosen a good site, he makes hittiself a an enforced residence at Clichy, and an and from this drives five passages, starting ingenious rose of one of his persevering upwards, to a second and emailor circular "sufferers" is recorded, which may find its Rallery—the shape of the stronghold being place here. Having ascertained that his therefore something like that of an col-potdebtor had taken refuge in the house of a then from this upper gallery it sinks three wealthy and hospitable friend, the holder shafts down, which converge in the centre in of his premissory note communicated his cup-shaped bollow, which is the dwellinginstructions to a bailiff more intelligent than place and bedroom of the little gentleman the majority of his colleagues, who, disguised in velvet." When alarmed, therefore, b as a clerk belonging to the diligence office of the shaking of the earth, the mole can either Laffitte and Caillard, and carrying a bag full run from its couch by any one of three of five-franc pieces, repaired to the address passages into the upper gallery, and thence, in question, and requested to see M. de by any one of five, down again into the dower, Balzac. "M. de Balzac does not live whence it can vanish by no fewer than nine the door. "Is Monsieur" (the owner special back-door to its bedroom, it can of the hotel) "at home?" "No; but scuttle off and make at once into any one of Madame is." Very good; then please to the high roads leading to its citudel that it let her know that I am charged to deliver chooses. The result of this estonishing inthis bag containing six thousand francs ti genuity—to which ought to be added various M. de Balzac," After waiting a minute or detours and cross cuts in the high roads retwo, the soi disant clerk was ushered into ferred to, and also the christs fact that the Madame's boudoir, and repeated his story, mole seldom makes two apertures opposite affirming that he had strict orders copy to each other—is that it has been found to deliver the bag into M. de Balzac's own impossible to surprise the dreature when i hands. "Cannot you leave it with me'?" is in its labyringh. Its speed through the inquired the lady of the bouse: a Impossible, solid earth is quicker than that of a man PORTER.

Madame. The receipt must be signed by digging with a spade, while along its tunnels, DAVID CORBAR & SONS M. de Balzac in my presence," "I hardly which may ran for a quarter of a mile ite pace has been proved by experiment to be "We are well acquainted with M. de Balzac, but be is that of a fast horse. . As a matter of fact it not here just now. He may possibly come "swims" through the soil, and its extraordito-day, and if you wait a moment I will see pary muscular development and the shape if he is to be found." Apparently he was of its body enable it to do this with almost not far off, for a few seconds had barely the same case as a frog on its way through elapsed before she returned, followed by water. But man sinks his traps in its path Balzac himself, who, in his anxiety to obtain and kills the useful little beast when on its possession of so unexpected a windfall as six way to work for his adventage on returning the bis of sold fallen unsuspectingly from its well-spent day. Great numbers are bi 500 Cigars at Six Doznáns sach at into the trap laid for him, and was disagree. thus annually destroyed. To keep disalfulive, ably surprised on learning that he was ar- to get food enough for existence, it has to rested for the sum of thirteen bundred and keep to hard labour incressantly. Naturalists eighty france, besides costs, in default of can scarcely speak soberly of this little immediate payment of which a flaces was animal's appetite, and the fercuity with waiting at the door to convey him to Chelly! which it toils to satisfy it. A single mole Luckily for him, at that instant the arrival of in captivity, has been known to kill and eat. his bost changed the aspect of affairs; the slarge slow-worm and a smake 32 inches debt and costs were immediately paid, and long; besides all suits of odds and of Balasc, overjoyed at his timely deliverance tarthworms and soulls, in the course of 24 from so unpleasant a dilemma, laughingly hours! But there are other points duite as signified his intention—never carried out, by temarkable. Its fierceness is perhaps unthe way-of utilising the adventure as the equalled, except by the "danyure" or the subject of a comedy, bearing the appropriate welvering. If two moles meet in a tunnel tills of "Quitte pour la peur!" On four one or other must give way, or be enten by different, occasions, the atubor of Le père the victor in the furious light that ensues. Goriet tried his fortune as a dramatist, and les teeth are singularly strong, its jaws very encountered as more fail and the first strong, its jaws very encountered as many failures; not one of the powerful, and its clawed fore pawe such that pièces produced during his lifetime having it can rip up a mouse, a bird, or a frog, as it

running away from him, too, for which she style. according to Balzac, could only be adequately shows from the very first an extraordinary represented by Madame Doryal During the next few days his time was fully employed pertinacity. Imagine such a bridal-with the lady in beadlong flight and vicious, the Siam, Annam, Cambodia month to deliver send in superintending the rehearsals, in corwooder himself pursued by Addiona Tikalen recting the proof of his comedy according Eventually, however, all ends well. A nest very softly lined becobies a nursery, and the to his invariable habit of having his dramatic works brinted before they were performed. partly with the view of more easily treating had been persistent as a suitor. Indeed, be could better estimate the general effect where traps are not properly visited every grubbing, blind, stolid thing popular Swatow Mossrs. Quelch & Co. . plicants for seats were tolerably numerous : ignorance imagines. Folograph of the Fol and had Balzac abandoned his idea of peopling boxes and pit with ambassaddra and apocryphal knights of St. Louis and

often does, with the greatest ease. It is a

cannibal of the most pronounced type. Now

this ferocity has a very singular explanation,

ere in a great minority. Why or wherefore

this is naturalists, cannot suggest. The

result is, however, that when the mole,

minding to be wedded, atarts off in quest of

a lady to woo he has to fight from first to

last ... As be goes he makes aumburs for

shallow tunnels by which if necessary to can-

carry off his bride; and rivals, recognising

these "traces d'amour," as the French call

them, waylay each other. After a series of

conflicts the object of adoration is reached;

but the happy couple do not " depart for the

the good wishes of friends and congratula-

tory farewells. On the contrary, the suc-
